There is an essential relationship between parenting and leadership. In fact, I might say that parenting is leadership in its "pure" form. The role of a parent is to build America's future leaders. I say that parenting is "pure" leadership because parents, like all good leaders, must motivate their children to excel.

Five Similarities Between Great Leaders and Great Parents

Parents - like all leaders - must continually be in a learning mode. Life circumstances can change and when that occurs, new learning is key. As children grow, parents must learn how to deal with each new phase in their children's lives. Admitting to their children that they may need to learn from others regarding some of the challenges ...
