A Hard Fought Ship covers the lifetime of Venomous, a ship that was neither famous nor glamorous. This is important; most sailors who spent much time at sea in World Wars I and II did so on ships whose names most of us do not know. Without books such as A Hard Fought Ship, their every-day reality would be lost to us.

## The Japanese Surrender During World War II: A Sailor's ...

HMS Venomous was a destroyer in the V & W Class, the most advanced of its kind in the world when built, and arguably the most successful ever. Sixty-nine were built at the end of the Great War. By the end of WW II they had all been sunk or scrapped, but during those thirty years, thousands of men served in them.
