Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

In this unit study we learned about the 12 Native American regions and 22 tribes. We studied the habitat, home, dress, and food of each tribe. We also learned a little geography and how to write a biography. This unit study is geared for elementary students with 23 days worth of lessons.

### Learning With My Boys: Native American Unit Study

This is such a neat little experiment, it's fun and informative for all ages. Based on the process of condensation, it appears to create water from nothing (which is, of course, not the case).

Native American culture is rich with wonderful folktales and legends. I have featured three of my favorites and written a mini thematic unit, designed for students in grades 1 through 3, about each. The teaching unit for Legend of the Indian Paintbrush by Tomie dePaola is geared toward first grade.
