All The Way From America — Joan Armatrading | Last.fm

South America is a beautiful continent with plenty of breathtaking beaches, sights and other attractions. Unfortunately, it isn't easy to drive there from the United States. Get a four-wheel drive automobile. Once you leave the United States and enter Mexico, Central America and South America, the roads become rough and rugged. To avoid car ...

How to Drive from the United States to South America ...

The name America is derived from that of the Italian navigator Amerigo Vespucci, one of the earliest European explorers of the New World. The term America originally was applied only to South America, but the designation soon was applied to the entire landmass. Because Mexico and Central America share an Iberian heritage with nearly all of South America, this entire region frequently is grouped ...
