### Blue genes : a memoir of loss and survival : Lukas ...

Written with heartrending honesty, Blue Genes captures the devastation of this family legacy of depression and details the strength and hope that can provide a way of escaping its grasp. About Blue Genes. Christopher (Kit) Lukas's mother committed suicide when he was a boy. He and his brother, Tony, were not told how she died.

### Blue Genes by Christopher Lukas: 9780767929011 ...

The only thing misleading about Blue Genes: A Memoir Of Loss And Survival, a moving tale of how self-inflicted death leaves wounds in the living, is the title. While acknowledging the genetic predisposition towards depression in the title, author Christopher Lukas barely touches on what that means. This is a book about nurture more than nature.
