A guide to the reliability history charts, included in each car model page on the Consumer Reports website CR.org, that provide the most comprehensive reliability information available to consumers.

Car Reliability Histories - Consumer Reports
The reason for this is privacy; maintenance records often contain addresses, phone numbers and credit card information of the car’s previous owners. If the dealer tells you that it won’t release
the records, you should try another dealer. You don’t have to go to your local dealer or even the dealer where the car has been serviced.

Another benefit of having service records goes beyond simple proof that vehicle maintenance has actually been carried out. A car with many service records shows a fastidious, organized car owner who’s willing to not only spend money on the vehicle but who’s also willing to keep the documents around for the next owner.
