Routine vaccinations fell across all age groups, according to a new study ...

Condemned for his heretical belief that the Earth orbits the sun, scientist and occult researcher Giordano Bruno is unexpectedly recruited by Elizabeth I, who dispatches him to Oxford University to investigate a Catholic plot against the crown.

Like "The Dante Club," this clever, sophisticated, exceptionally enjoyable thriller is written with unstoppable narrative propulsion and stylistic flair. Follow the monk, poet, and scientist Giordano Bruno on his quest to uncover a plot to kill Queen Elizabeth I.

London, summer of 1584: Radical philosopher, ex-monk, and spy Giordano Bruno suspects he is being followed by an old enemy. He is shocked to discover that his pursuer is in fact Sophia Underhill, a young woman with whom he was once in love. When Bruno learns that Sophia has been accused of murdering her husband, a prominent magistrate in Canterbury, he agrees to do anything he can to help clear her name. But in the city that was once England's greatest center of pilgrimage, Bruno begins to uncover unsuspected secrets that point to the dead man being part of a larger and more dangerous plot in the making. He must turn his detective's eye on history—on Saint Thomas Becket, the twelfth-century archbishop murdered in Canterbury Cathedral, and on the legend surrounding the disappearance of his body—in order to solve the crime.

A gripping murder mystery set in 16th-century France, as Giordano Bruno fights against multiple factions manipulating the succession of King Henry III. December 1585: King Henry III of France is the last of his line. He has appointed a Protestant as his successor, which has caused a three-way war in his country. As a result, the king is in mortal fear of a coup being orchestrated by the ultra-conservative Catholic League. Radical philosopher, ex-monk and spy Giordano Bruno, forced to return to Paris, is called upon by King Henry to unearth the motivation behind several mysterious but linked deaths. Each victim is connected to a larger plot to manipulate the royal succession; what they knew and who killed them is a mystery to be solved. Meanwhile, Bruno makes an uneasy alliance with Charles Paget, a key figure in the community of English Catholics who tried to assassinate Queen Elizabeth. When Bruno is implicated in the death of Leonie, a member of the Queen Mother's "Flying Squadron," he is forced to call on Paget and his connections for help—and finds that it comes with a price, involving an old enemy.

The No. 1 Sunday Times bestselling series The third book in S. J. Parris's bestselling, critically acclaimed series following Giordano Bruno, set at the time of Queen Elizabeth I

Perfect for fans of C.J. Sansom and The Name of the Rose, this sequel to Sacrilege features Giordano Bruno, heretic, philosopher and spy. Summer, 1585: As English ships are held captive in Spain, fear mounts of an Invincible Armada, built by King Philip II, and intended to invade English shores. Sir Francis Drake prepares to embark on an expedition by royal commission to cross the Atlantic and seize major Spanish ports, diverting Philip's American treasure supplies to Queen Elizabeth. Giordano Bruno, radical philosopher and spy, accompanies his friend Sir Philip Sidney to Plymouth to oversee Drake's departure. Unbeknownst to Bruno, Sidney intends to join the mission—and he wants Bruno to go too. But when a ship's captain is brutally murdered, and Drake's life threatened, it becomes clear that someone plans to destroy the expedition before it begins. Bruno and Sidney hunt for the killer, but are they being lured into a trap? And when Drake's young wife and her cousin arrive, Bruno and Sidney find themselves thrown into an unexpected rivalry.

S. J. Parris returns with the next Giordano Bruno mystery, set inside Queen Elizabeth's palace and steeped in period atmospherics and the strange workings of the occult. It is the year of the Great Conjunction, when the two most powerful planets, Jupiter and Saturn, align—an astrologi-cal phenomenon that occurs once every thousand years and heralds the death of one age and the dawn of another. The streets of London are abuzz with predictions of horrific events to come, possibly even the death of Queen Elizabeth. When several of the queen's maids of honor are found dead, rumors of black magic abound. Elizabeth calls upon her personal astrologer, John Dee, and Giordano Bruno to solve the crimes. While Dee turns to a mysterious medium claiming knowledge of the murders, Bruno fears that some-thing far more sinister is at work. But even as the climate of fear at the palace intensifies, the queen refuses to believe that the killer could be someone within her own court. Bruno must play a dangerous game: can he allow the plot to progress far enough to give the queen the proof she needs without putting her, England, or his own life in danger? In this utterly gripping and gorgeously written novel, S. J. Parris has proven herself the new master of the historical thriller. "From the Hardcover edition."

Three exhilarating novellas—The Secret Dead, The Academy of Secrets, and The Dead of Winter—following the early adventures of young priest Giordano Bruno in the dramatic days of sixteenth century Italy. Even the dead have a story to tell . . . Naples, 1566. During a sweltering summer, eighteen-year-old Giordano Bruno takes his final vows at San Domenico Maggiore and is admitted to the Dominican Order—despite doubts over his tendency to ask difficult questions. Assisting in the infirmary, Bruno witnesses an illicit autopsy performed on the body of a young woman. Her corpse reveals a dark secret, and Bruno suspects that hers may not have been an accidental death. His investigation leads him to a powerful figure who wants to keep the truth buried—and Bruno is forced to make a choice between his future in the Order, and justice for an innocent victim and her grieving family . . .

A short story featuring Giordano Bruno: heretic, philosopher and spy. Perfect for fans of C.J. Sansom.
