dialogue, and Ross's hyperbolic line art will engage even the most reluctant readers." Publishers Weekly "Like Dennis the Menace and Curious George, Horrid Henry is either finding trouble or creating it, and the kids are crazy about his antics." Meredith Smith, grade school teacher, DolceBellezza.blogspot.com "Kids will

love reading the laugh-out-loud funny stories about someone whose behavior is even worse than their own." School Library Journal "Will make you laugh out loud." Sunday Times Why Horrid Henry? Kids love it! "I love the Horrid Henry books by Francesca Simon. They have lots of funny bits in. And Henry always gets

into trouble!" Mia, age 6, BBC Learning is Fun "It's easy to see why Horrid Henry is the bestselling character for 5-8 year olds." Liverpool Echo Because it's funny "My two boys love this book and I have actually had tears running down my face and had to stop reading because of laughing so hard. My oldest son is

rereading all the books in this series on his own now and he still loves them. Happy reading!" T. Franklin, Parent "A modern comic classic." SF Said, Guardian Children's Books Supplement Kids get to be harmlessly rebellious "Henry is a beguiling hero who has entranced millions of reluctant readers... little rebels will love

this collection and even little angels will be secretly thrilled by Henry's anti-heroic behaviour." Herald Henry's naughtiness is a yardstick against which children can get a sense of their own moral goodness and social justice "What is brilliant about the books is that Henry never does anything that is subversive. She creates an aura of

Access Free Horrid Henry Christmas

supreme naughtiness (of which children are in awe) but points out that he operates within a safe and secure world." Emily Turner, Angels And Urchins Magazine Reaches the most important age group - children who are learning to read "I have tried out the Horrid Henry books with groups of children as a parent, as a

babysitter, and as a teacher. Children love to either hear them read aloud or to read them themselves. The books are spot on for the 5-8 age range and are fun for the adults who share them too." Danielle Hall, Teacher The structure provides new readers with a real sense of accomplishment "My son is 7 years old

and a big Horrid Henry fan. This book lived up to his expectations! Horrid Henry is like most boys: he always has a plan and is always getting into mischief! It was amusing, and he could not put it down. Can't wait for the next. He read it cover to cover by himself in 2 days! That for me sells a book! He can't wait for the next one

"Wonderfully appealing to girls and boys alike, a precious rarity at this age." Judith Woods, Times Books A global publishing phenomenon with 12 million copies sold!
