The iPad mini 2019 is Apple's most complete iPad, and it's deceptively powerful for its small size. It has a bright 7.9-inch display that works with the Apple Pencil and a chipset that smokes the small tablet competition. It's Apple's most satisfyingly iPad and proof that things won't change very much when serious small tablet competition is nowhere to be found in 2020. The familiar 7.9-inch display feels perfectly sized to grip in one hand and operate with two, just as it did when the iPad mini 4 released nearly four years ago. There are many other factors that make up the overall goodness of the iPad Mini 5. We got a chance at handling the device and we are presenting our User Guide to help you maximize your iPad Mini 5. This book is written in simple and clear terms with a step-by-step approach and with tips and tricks that will help you to master your iPad Mini 5 within the shortest period of time.
