It's 1989 and Rae Earl is a fat, boy-mad 17-year-old girl, living in Stamford, Lincolnshire with her mum and their deaf white cat in a council house with a mint green bathroom and a refrigerator Rae can't keep away from. She's also just been released from a psychiatric ward. My Mad Fat Diary is the hilarious, harrowing and touching real-life diary Rae kept during that fateful year and the basis of the hit British television series of the same name now coming to HULU. Surrounded by people like her constantly dieting mum, her beautiful frenemy Bethany, her mates from the private school up the road (called "Haddock", "Battered Sausage" and "Fig") and the handsome, unattainable boys Rae pines after (who sometimes end up with Bethany...), My Mad Fat Diary is the story of an overweight young woman just hoping to be loved at a time when slim pop singers ruled the charts. Rae's chronicle of her world will strike a chord with anyone who's ever been a confused, lonely teenager clashing with her parents, sometimes overeating, hating her body, always taking herself VERY seriously, never knowing how positively

If Adrian Mole had a sister ... Hysterically funny, touching real-life teenage diary from 1989.

RAE'S BACK! But now it's 1990. The Berlin wall is down and the Happy Mondays are up, really up, but the new decade's brought new mortifications for Rae Earl and she's MADDER and FATTER than ever. About to enter the most important year of her life - her actual bloody A Level year - everyone expects her to concentrate on schoolwork but how can she when Haddock's backside is still a national treasure and revision at home is just NOT HAPPENING! It's hell outside the house too, if hell was in Stamford, Lincolnshire, and punishment for sins was a fiery eternity of awkwardness. In My Madder Fatter Diary, Rae reveals her real-life teenage diary once again, transporting us to a Britain instantly recognisable to those who remember Bryan Adams at the top of the charts and anybody who's been eighteen and agonisingly embarrassed by EVERYTHING. It's wet-your-knickers hilarious. It's blub-your-eyes-out sad. It's the touching, romantic, MAD, FAT story of what happened next.

Graciela "Ace" Jones is mad-mad at her best friend Lilly who cancels their annual trip to Panama City for mysterious reasons; at her boss Catherine for "riding her ass like a fat lady on a Rascal scooter;" at her friend Chloe's abusive husband; and especially at Mason McKenzie, the love of her life, who has shown up with a marriage proposal one year too

late. Ace is never mad, though, at her near-constant companion, an adorable chiweenie dog named Buster Loo. Ace's anger begins to dissipate as she takes matters into her own hands to take down Chloe's philandering husband-and to get to the bottom of a multitude of other scandals plaguing Bugtussle, Mississippi. Then, she starts to realize that maybe Mason deserves a second chance after all. With a sharp and distinctive voice, Stephanie McAfee delivers a hilarious and fast-paced tale about Ace Jones and her two best friends-thick as thieves and tough as nails-navigating Southern small-town politics and prejudices, finding love, and standing up for each other all the way.

Diary of a Mad Fat Girl's plus-sized spitfire Graciela "Ace" Jones returns in a hilarious new adventure from New York Times bestselling author Stephanie McAfee. Ace has left the tiny Mississippi town of Bugtussle for the palm fronds and mojitos of Pelican Cove, Florida. She's finally opening her long-dreamed-of art gallery, is kick-starting a life with her fiancé, Mason, and has vowed to leave her straight-talking, sassy ways behind her. From now on, she's going to be as sweet as sugar. Unfortunately, something comes along to sour her plans. That something is Mrs. Lenore Kennashaw and her coterie of crones. They're a bunch of snippy, snarky, and just plain mean ol' ladies who aren't quite as smart or rich as they'd like to think they are. But that doesn't stop them from treating everyone else like second-class citizens. And when Ace inadvertently takes some of the steam from Mrs. Kennashaw's stride, she becomes their #1 enemy. But with the support of a new group of fabulous friends, as well as her friends from Bugtussle-and her always-faithful chiweenie Buster Loo-Ace will find a way to make it, even if she has to throw some weight around.

of an intensely creative soul whose expression finds various forms: in acting, in poems and stories, lyrics and music, but above all in photography. This book's content resonates in the commonality we all share on our own journeys while unveiling an inside look into a world that very few experience. Organized into three broad groups—life, love, and beauty—the book ranges over the public and private side of Keegan Allen and his world. A child of Hollywood, whose father was also an actor and his mother a painter, Keegan roams freely through that realm, photographing his fellow actors on set, behind the scenes; and recording the amazed, gleeful, sometimes weeping fans that flock to his television and career related events. Allen also has an eye for the anonymous and the unexpected: the woman gazing dreamily from the balcony of a run-down hotel; the rifle-toting dog walker who seems to have emerged from the 19th century; the performers and denizens of Venice Beach and also the streets of New York, some of them chasing the dream of fame, others having long-since abandoned it; the little boy amid in the crowd in an enormous airport; portraits of lovers kissing on subways, in parks, and on the streets. Traveling from California to New York to Paris and back, as well as through the American west, he finds beauty in both urban and rural places: from large-scale landscapes to glimpses of light transforming what it touches. Keegan's poems, stories, captions and musings, song lyrics, and journal pages complement the photographs on this journey. He provides an account of growing up just off the Sunset Strip, coming into his own as an actor/artist, dealing with public recognition while maintaining a very private life, falling in and out of love, and acknowledging the influence of his family, friends, fans, and loved ones. life.love.beauty is an unusually intimate and revealing book: a delight for anyone who values photography, and a gift for the many fans who already follow Keegan's career.
