The design was gorgeous but the quality of the paper they use is not brilliant white so A LOT of the photos used came out significantly darker than when I had them printed by Photobox. Also, there is no explanation about the paper used when printing these books on the website - huge marketing mistake - won't be using Papier again!

Book Review - The New York Times

In this review, Masad tackles "a nine-hundred-page-plus
tome" by interrogating her own thinking about the United
States, "a country I was born in and soon after left": "I knew
about the terrible legacy of slavery, of the millions of human
beings forced onto ships, across oceans, onto land, where
they were treated horribly, worked to death, and yet survived,
generation after generation.

daunting - his father, Sir Charles Ferguson, a Victoria Cross winner for bravery during WW2, had returned to New Zealand after the war to, in a short time, become the Commonwealth's pre-eminent businessman, confidant to successive prime ministers and governments and most importantly, a beloved husband and father. All of these accomplishments were achieved without blemish, incident or notoriety. With such a stellar backdrop, what could possibly go so wrong that would crush William Ferguson's life?

Publishes in-depth articles on labor subjects, current labor statistics, information about current labor contracts, and book reviews.

This is an invaluable, concise, all-in-one guide for carrying out student research and writing a paper, adaptable to course use and suitable for use by students independently, it successfully guides students along every step of the way. Allows students to better manage their research projects Exercises and worksheets break down the research process into small steps and walk students through each stage of the research project Offers real-world and lively examples that are attractive and relevant to students Based on twenty years of experience in teaching research techniques to students in a way that avoids the methodology "overkill" from encyclopaedic and intimidating textbooks Accompanying website includes powerpoint lecture slides for instructors and helpful links to video resources for student. summer begins when the Callahans arrive on Mariposa Island. That's when Elena Finney gets to escape her unstable, controlling mother by babysitting for their two children. And the summer of 1986 promises to be extra special when she meets J.C., the new boy in town, whose kisses make Elena feel like she's been transported to a new world. Joaquin Finney can't imagine why anyone would want to come to Mariposa Island. He just graduated from high school and dreams about going to California to find his father and escape his mother's manipulation. The Liars of Mariposa Island follows siblings Elena and Joaquin, with flashbacks to their mother's experience as a teenage refugee fleeing the Cuban revolution. Jennifer Mathieu's multilayered novel explores the nature of secrets, lies, and fierce, destructive love.

The making of a New Zealand coaching great Between the years 2012 and 2019, Sir Steve Hansen oversaw an era of such remarkable success that it would be almost impossible to repeat. His 15-year career in the All Blacks coaching team is the heaviest footprint in rugby history. Of the 210 tests he was involved with, his team lost just 25 times. Of the 107 tests he served as head coach, Sir Steve accumulated a record 4 World Rugby Coach of the Year awards and orchestrated 93 victories - a winning percentage of 87 per cent, the highest of any All Blacks coach. Steve Hansen: The Legacy delves into the highs and the lows that earned the New Zealand rugby knight a place in the pantheon of world rugby coaching greats. Revealing and perceptive, the book uncovers how Hansen dealt with the immeasurable pressure of leading the world's most famous rugby team; the tension created by being re-appointed specifically to win the Rugby World Cup; how he dealt with high-profile athletes and an exodus of New Zealand's all-time greats; the endless tug-of-

war between commercialism and high performance; the increasing influence of referees on the game; the power battle between the northern and southern hemispheres; the Achilles heel that contributed to the All Blacks' 2019 Rugby World Cup loss; and how, during his career, he learnt to understand his weaknesses and use them to his advantage. Much more than a biography, in *Steve Hansen: The Legacy*, award-winning writer Gregor Paul tells the compelling story of the former policeman from Mosgiel, his quest for world rugby dominance and his journey to coaching greatness.

Instant #1 International Bestseller — Cue greed, lust, secrets, and serious suspense. Count us in. — *theSkimm* "An insanely plotted book...riveting." — *The New York Times Book Review*

Written with the chilling, twisty suspense of *The Wife Between Us* and *Something in the Water*, a seductive thriller about identical twins, greed, lust, secrets, and deadly lies. Twin sisters Iris and Summer are startlingly alike, but beyond what the eye can see lies a darkness that sets them apart. Cynical and insecure, Iris has long been envious of Summer's seemingly never-ending good fortune. When Summer calls Iris to Thailand to help her sail the family yacht to the Seychelles, Iris has secret hopes for what might happen on the journey. But after a disturbing incident in the middle of the Indian Ocean, everything changes. Now Iris has the chance to step into the golden life she's always envied—and get one step closer to the hundred-million-dollar inheritance left by her manipulative father. All Iris would need to do is ensure she's the first of his seven children to fulfill the strange conditions of his will. But Iris soon discovers that her twin was keeping more than one secret, and Iris's life lurches between glamorous dream and paranoid nightmare. In a family in which the winner takes all, whom can she trust? And how far will she go to get the life she's always dreamed about?

Read PDF Paper Plus Book Reviews

"Ferociously entertaining. A novel like a triathlon: part evil-twin thriller, part howdunit (or did-she-do-it?), part juicy family drama. Drop Knives Out and Double Indemnity into the blender, shake some Dead Calm over the froth, power it on, and you've got a cocktail like The Girl in the Mirror—fresh, flavorful, and utterly intoxicating." —AJ Finn, #1 New York Times bestselling author of The Woman in the Window

Paper crafting is the hot new craft, and in this delightful book, Minhee and Truman Chofounders of popular stationery company PAPER + CUP offer 25 unique paper projects: vintage-inspired frames, hanging bird mobiles, pretty flower hair clips, personalized place cards, and many more.
