SHAMELESS. Lady Elizabeth, the youngest and most headstrong of the three Banning sisters, has been engaged three times, and has most scandalously broken off all three engagements. Her fear of becoming any man's property has kept her from marriage and earned her a reputation in the ton as a heartbreaking flirt.

Known as a heartbreaker, beautiful Beth Banning falls victim to a vengeful scheme on the part of her last jilted fiancée, a plot that is foiled when the victim frees herself and turns the tables on her seductive kidnapper.

Faced with poverty after the death of her half-brother, the Earl of Wickham, on his Ceylon tea plantation, Lady Gabriella Banning plans to secure the future of her two younger sisters--Claire and Elizabeth--by marrying off Claire to a wealthy aristocrat, but her scheme is threatened by a charming stranger who claims to be the Earl of Wickham. Original.

Claire Banning fulfilled every debutante's dream when she married a rich nobleman. Soon, however, the celebrated beauty realizes she wed a dissolute wastrel. Bitterly hurt and desperately lonely, Claire vows nonetheless to take her expected place in society. Then on a journey home to her husband's estate on the coast of Sussex, she is abducted, and her life -- and her heart -- are changed forever. Hugh Battancourt -- a dark and dangerous nobleman who long ago turned his back on the ton and now leads a life secretly dedicated to his country's service -- is determined not to be swayed by his prisoner's beauty as they share a cabin on a ship bound for France. Lives depend on his retrieving from her a letter full of secrets she intends to turn over to the enemy. But even as Claire and Hugh engage in a battle of wits and wills, captor and captive find themselves drawn irresistibly to each other. Is it possible, Claire wonders, that she could discover the true meaning of love that has eluded her with this handsome stranger? One who will lay his life on the line in order to protect her from someone who is intent on placing Claire in the path of danger? With this sensual and entrancing tale, bestselling author Karen Robards continues her wonderful trilogy of three sisters taking their rightful place as the belles of Regency England's ton.

A heartwarming and passionate love amongst the glitz and glamor of Hollywood from New York Times bestselling author Judith Michael. When director Lucas Cameron finds letters to his grandmother from her protégé—the brilliant young actress Jessica Fontaine, who had vanished mysteriously after a tragic accident—he is intrigued and determined to find her. When finally they meet, they have one magic week of passion and love. But still Jessica cannot return with Lucas to his world—and he cannot share hers—unless, with inner strength, they can triumph over the past and open the way for their hands and hearts to join.

In Regency England, a beautiful young woman finds her life thrown into turmoil by the arrival of a handsome scoundrel. Lady Elizabeth, the youngest and most headstrong of the three Banning sisters, has been engaged three times, and has most scandalously broken off all three engagements. Her fear of becoming any man's property has kept her from marriage and earned her a reputation in the ton as a heartbreaking flirt. Neil Severin is a wicked rogue, black of heart and black of reputation. A man of no morals, devoid of compassion, he is a government-sanctioned assassin. And his newest target is a man Beth holds dear. When the flame-haired beauty thwarts his plan, Neil exacts his own brand of spicy revenge. Beth despises him. Neil doesn't care. But circumstances most unexpectedly throw them together, and with Beth's life in danger, Neil finds himself in the unexpected role of hero, racing to save her before it's too late. What he never expects is the twist fate hands him: instead of his saving her, Beth winds up saving him. When the ruthless organization he works for turns its agents loose on him, only Beth stands between him and a death he thought he didn't fear. In a fight for their lives, Neil and Beth travel the British countryside, fleeing the ruthless killers out for Neil's blood, the men after Beth, and their growing attraction to each other. Can Neil forgive himself for his past and accept Beth's love? Can Beth overcome her fear and trust Neil? Will she have to choose between him and her family? And most important, can they both survive long enough to begin a new life together? The third in the Banning Sisters trilogy that began with the New York Times bestsellers Scandalous and Irresistible, Shameless marks a dazzling return to historical fiction for Karen Robards.

A beard-related dare and one hot-as-hell kiss changes everything. NFL center Ethan Dexter's focus has always been on playing football and little else. Except when it comes to one particular woman. The lovely Fiona Mackenzie might not care about his fame, but she's also never looked at him as anything more than one of her brother-in-law's best friends. That ends now. Fi doesn't know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he's a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she's left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he's her forever man.

Maggie Holloway is unsatisfied with the explanation for her former stepmother's death, and when the residents of a nursing home begin dying suddenly and inexplicably she becomes suspicious. It is only later that she realizes she herself is a target for a twisted killer.

Set in 2006, Adam is a coming-of-age comedy that tells the story of an awkward teenager who goes to spend his final summer of high school with his older sister, who is very much a part of Brooklyn's young and diverse lesbian, queer and transgender scene. Over the summer, Adam, and all those around him, will experience love and friendship, learning the hard truths that those relationships often bring. Ariel Schrag's scathingly funny and poignant debut novel puts a fresh spin on questions of love, attraction, self-definition, and what it takes to be at home in your own skin.
