A "week one, day one" kind of teacher's manual with daily geography drills and numerous weekly assignment choices that include: mapping activities, atlas usage, research, notebooking and culture. Daily drills at 3 different levels for versatility and multi-year usage. Students learn to recognize important characteristics and traits of each continent, read and create maps, identify key geographical terms and more. Finish up the year by reading Around the World in 80 Days, by Jules Verne. This course lays a solid foundation of world geography for students 2nd grade and up.

Human Geography gets general readers to think geographically across scale and across a wide range of geographical phenomena and global issues. All concepts and themes are touched on with the historical background one would expect, but also with current
examples to make the reading more relevant. The content is written in such a way that it is approachable and appealing. It includes all of the important themes in a succinct and engaging narrative style that can easily be understood. From the Field boxes and opening vignettes help anyone who has not personally traveled much of the world. General readers will also find the latest data as they build their understanding of important concepts.

For the 2021 Exam! AP® Human Geography Crash Course® A Higher Score in Less Time! At REA, we invented the quick-review study guide for AP® exams.
