**Dax Cobra Build**

Coated with some foam shock dampening tape on the bottom and with the aid of the centre line it’s been bolted to the Cobra’s fireglass nose. I wasn’t sure that this would be acceptable but after looking at a few “in-progress” builds at the Dax garage a few weeks ago this is exactly how they have done it so it just leaves things to be ...

The hugely charismatic DAX 427 (formely known as Tojeiro) has remained the undisputed market leader for more than 30 years and has steadily established itself as a much-sought-after sports car classic in its own right. The car’s enduring popularity owes much to DAX’s policy of continual product improvement and painstaking attention to detail.

Honestly, I think it would be a mistake if you tried to build a car like that without a decent budget. You love the Cobra, don't do yourself or the dream the injustice of trying to do it on the cheap.
Can I Build a Cobra Replica with a £10000 Budget? - Page 1 ...

The 427 Hardtop is inspired by the classic GT cars of the 1960’s era. Eighteen months of development has resulted in a product that compliments the already beautiful lines of the 427 Cobra. Framed by stainless steel moulding, the rear quarter light windows not only set the Hardtop apart from a design perspective, but also allow for vastly improved visibility whilst offering an overall more sleek appearance.
