Five tips for designing effective online learning modules...

Five tips for designing effective online learning modules: 1. Outline your session. Perhaps the most important element in an effective online learning module is the way in which... 2: Create sections for major steps in the process. Design your learning module so that each major task is its own... 3:...
When reviewing or designing a hybrid learning course, ask how the online and face-to-face components work together to address the learning outcomes, accommodate various learning modalities, allow students to engage with the course content in meaningful ways, and lead to deeper learning. Some examples of integrating online and in-class activities:
