### **Economic Development Todaro Smith 11th**

Todaro and Smith take a policy-oriented approach, presenting economic theory in the context of critical policy debates and country-specific case studies so readers see how theory relates to the problems and prospects of developing countries. The eleventh edition offers new sections on the global financial crisis and violent conflict.

### **Economic Development (11th Edition) (The Pearson Series in ...**

A very good approach to economic development. Even if your course is not on economics, this is a great supplement for any development course. The chapters are demanding in that they present many theories and after some time you feel you have not learned anything, but the authors' attempt is worth 5 stars.
