SlideShare supports documents and PDF files, and all these are available for free download (after free registration).

Japanese Moral Education Past And

Japanese Moral Education Past and Present. For generations, moral development has been both a conscious aim and a formal process in Japanese education. This book investigates the history and development of Japanese moral education and analyzes and compares current moral education with the concepts of the Imperial Rescript on Education (1890) and the "shushin" moral education of prewar Japan.

UAE school curriculum scores high with Japanese experts ...

Many teachers find the cultural differences involved in teaching Japanese students quite a challenge and something they are still discovering years after they first teach a class with Japanese people in, something made more difficult by the fact that the politeness of most people and the seeming Westernization and mechanization of the big cities can lull people into not seeing there is a problem.

Cultural differences in the Japanese classroom | TEFLnet

In the past, plans to introduce moral education into school curricula have met with opposition from some teachers and parents concerned that it would impose certain values on children. © Japan Today ©2020 GPlusMedia Inc.

Gov't releases guidelines for moral education - Japan Today

Japanese moral education policy and the textbook authorisation system are strange bedfellows in the first place. Despite the government proposing deliberation-based moral education, the authorisation system one-sidedly offers a single “answer” that pre-empts any actual deliberation in the classroom.
