It's inauguration day, and the 43rd president, in the traditional letter to the 44th, has revealed a bombshell to his successor: aliens of unknown origin have constructed something in our solar system, and the U.S. has a secret mission to check it out. So begins Letter 44 Volume 1: Escape Velocity.
That's the incredible premise of Letter 44 (with different names for the presidents of course) as a secret crew of astronauts heads out to meet the cloaked giant alien vessel and learn what they can of it to give the rest of us back on Earth a better chance of fighting back (if they're hostile).

**Letter 44 by Charles Soule (2017, Trade**

... Letter 44 Series. There's something up there. As newly elected President Stephen Blades reads the letter left for him in the Oval
Office by his predecessor, he learns this stunning secret: seven years earlier, NASA discovered an alien construction project in the asteroid belt. A crew of heroic astronauts was sent to investigate, and they're nearing the conclusion of....

Letter 44 Series by Charles Soule - Goodreads
Letter 44 Vol 3 picks up
the pace. Foreign powers have learned that the US has access to high tech weapons generations beyond current models. This causes conflict as Germany also gains access to the tech (won't say how-read it if you're interested).

**Letter 44, Volume 5: Blueshift by Charles Soule**

Charles Soule keeps at it and Volume 4 brings Letter 44 more or less back on track in my
book. The story telling can feel a little rushed at times, and especially the back and forth between the 666 and other ideas felt a little tedious. Although it's not only negative, I actually really love this series and I think this is a great volume.
