Love Signals A Practical Field

LOVE SIGNALS IS a practical field guide to the body language of courtship. It explores the nonverbal signs, signals, and cues human beings exchange to attract and keep their mates. As a medium of communication, love's silent language predates speech by millions of years. Indeed, humans wooed in a nonverbal idiom well before they could speak.

Love Signals Quotes by David Givens - Goodreads

Since potential mates "test" each other before uniting as one, courtship is a choreographed give and take of signs granting physical and emotional closeness. Love Signals is part ethnography and part how-to. Dr. Givens documents the little courting rituals witnessed in elevators, on subways, and in the workplace. He examines the essential role the face plays in courtship and how it can be optimally displayed.
