The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

Meditation And Its Practice By

The practice of meditation exists in pretty much every spiritual belief system. It can have a different name, its purpose concealed by obscure wording of some calcified dogma, its essence overgrown with obsolete rituals, but the true heart of meditation - a quiet, mindful introspection - is very much alive and should be practised by every human being.

Meditation and Its Practice book by Swami Rama

Meditation is a practice where an individual uses a technique – such as mindfulness, or focusing the mind on a particular object, thought, or activity – to train attention and awareness, and achieve a mentally clear and emotionally calm and stable state.

Meditation - Wikipedia

Mindfulness meditation is the practice of intentionally focusing on the present moment, accepting and non-judgmentally paying attention to the sensations, thoughts, and emotions that arise. For the "formal practice" time, sit on a cushion on the floor, or on a chair, with straight and unsupported back.

23 Types of Meditation — Find The Best Meditation ...

"Transcendental Meditation" emerged in India 3,500 years ago and has been promoted and spread by the teachings of Maharishi Mahesh Yogi. To practice it you need to sit in a quiet place and clear your mind. This type of meditation is based on transcending, as the word says, it means being in the most powerful [...]
