Failing to make car payments should never be an option, no matter your financial circumstances. If your situation is dire and you do not have the money to make a payment, address it with a call to your lender. Explain the situation and, if possible, have a budget prepared that includes a dollar figure you can afford for a monthly payment.

### **What to Do When You Can't Afford Your Car Payment**

Since a landlord may consider a home or apartment to be uninhabitable if it does not have electricity to it, homeless prevention/rehousing programs may help pay to turn on the utilities. The federal government tends to pay for this, but funds are disbursed locally to the charities such as the Salvation Army or United Way.

### **How to get utilities turned on with no money**

Focus on 1 debt at a time. Put that extra \$100 towards 1 debt and pay the minimum on all the others. 2. You aren't paying extra towards PRINCIPLE only! Dudes, if you aren't paying your normal required payment and putting the extra amount towards principle only, you are paying extra money on interest that you shouldn't be.
