Presidency of the United States of America - Historical ...

The 21st Century dawned on a very different presidency than the one created at the end of the 1700s. Constitutional provisions limited the early presidency, although the personalities of the first three — George Washington, John Adams, and Thomas Jefferson — shaped it into a more influential position by the early 1800s. However, throughout the 1800s until the 1930s, Congress was the ...
