The Road Trip That Changed World

Unlikely Theory Will Change How You View Culture Church And Most Importantly Yourself

Mark Sayers

 hypothesized that the Puritan wilderness experience can be compared to a Europeanizing process. The Puritan wilderness experience was a form of European settlement, a process of acculturation and assimilation. The Puritans were not simply transplants from England, but rather a new kind of people, a new kind of society, emerging from the crucible of the American wilderness.

The Road Trip that Changed the World

In 2015 Nord Compo North America was created to better service a growing roster of clients in the U.S. and Canada with a full-service solution that includes print, digital, and web production.
