A discussion of the Constitutional Topic of the Bill of Rights. Incorporation. One of the greatest changes in the interpretation of the Constitution came with the passage of the 14th Amendment after the conclusion of the Civil War. It was designed to assist newly freed slaves in the transition to freedom and to protect them from acts of the Southern states, and also to overturn the decision in

The idea of an “Internet Bill of Rights” is by no means a new one: in fact, serious efforts to draft such a document can be traced at least as far back as the mid-1990s. Though the form, function and scope of such initiatives has evolved, the concept has had remarkable staying power, and now — two full decades later — principles which ...
